

**CERTIFICATE OF RECOGNITION**

**METAVITAL**

This is to certify that **METAVITAL** has been recognized  
by the Editorial Board of **Healthcare Business Review** as

**EDITORIAL ATTESTATION:**

This recognition is determined through a bona fide editorial process based on the Healthcare Business Value Index and its defined methodology. It draws on independent editorial research, subscriber nominations and industry input, and highlights excellence in healthcare use-case alignment, execution in regulated care environments, operational and financial impact, and market confidence among healthcare providers.
